Debtors.)	
_____)	

**RESPONSE AND OBJECTION OF ZF BOGE ELASTMETALL LLC TO DEBTOR'S
SEVENTEENTH OMNIBUS CLAIMS OBJECTION**

NOW COMES ZF Boge Elastmetall LLC, (hereinafter referred to as "ZF"), a creditor in the within proceeding and respectfully provides its response to the Seventeenth Omnibus Application to Expunge Claims [Doc. 8270], the "Objection" filed by the Debtor on June 15, 2007.

1. ZF has timely filed its claim in the amount of \$99,852.32, in this matter. The claim of ZF has been enumerated as claim number 12017.
2. The Debtor has objected to a portion of the Claim although the exact basis for the objection is unclear.
3. ZF attached to its claim its account summary for Delphi, such summary setting forth the in detail the open invoices with Delphi, by date and amount.
4. ZF maintains and can provide copies of the invoices and proof of delivery for the invoices listed in the summary attached to its claim. ZF has previously provided to Delphi electronic

copies of invoices and supporting documentation for its claim although such information has not been provided herein due to its voluminous nature.

5. ZF has not been paid for the amounts due as set forth in the claim and such amount remains due and owing.
6. Pursuant to Bankruptcy Rules 3001 and 3003 the claim of ZF is prima facie evidence of the validity and amount of its claim and the Objection of the Debtor is not sufficient to overcome the presumption of validity under Rules 3001 and 3003.

WHEREFORE, ZF Boge Elastmetall LLC respectfully requests that the Objection of the Debtor be denied and that its claim be allowed as filed and for such other and further relief as is just and equitable in the premises.

Respectfully submitted,

By: /s/ John J. Hunter, Jr.
